

## State of Georgia Team Georgia Careers

### **This is an advisory to new job seekers and returning applicants!**

On February 6, 2015 the State of Georgia will launch Team Georgia Careers as the new recruitment website for employment opportunities within agencies across the state.

All users of the new website will be required to create new online profiles in order to apply to jobs that are advertised on the site. Existing applicant information that is currently active in the current [careers.ga.gov](http://careers.ga.gov) **will not** be carried over into the new Team Georgia Careers site.

In preparation for this transition, beginning February 6, 2015; you will be required to register as a New User, which includes creating a New Account with a User Name and Password. Once your account is set-up, you will then follow the steps needed to create your profile, upload your resume' and begin searching and applying for jobs.

If you have any questions, please contact the Team Georgia Careers HelpDesk at [HRA@doas.ga.gov](mailto:HRA@doas.ga.gov) 404-656-2705, or Toll Free at (877) 318-2772
