The Georgia Department of Administrative Services, State Purchasing Division, has established a Statewide Contract for **Equipment Maintenance Management Services** with **DTGroup INC.**

This is a **CONVENIENCE CONTRACT** available for use by all State, City & County public entities within the State of Georgia.

The purpose of this contract is to provide organizations with an efficient and cost-effective means to manage their equipment service and maintenance contracts. The Equipment Maintenance program is a very simple and easily implemented program that offers both guaranteed financial savings and greater manpower efficiency without sacrificing quality, control or personnel. The program consolidates an Agency's equipment service agreements into one easily administered plan that provides savings each and every year. This is an **immediate, real dollar savings** that will positively impact each participating Agency's bottom line.

Key benefits of the contract include:

- Immediate **savings of 18% - 25%** off existing full service OEM Equipment Maintenance Contracts
- Quick, easy implementation without substantial commitment of staff time or resources
- Continued use of current OEM Service Providers and quality OEM Parts
- No sacrifice in quality of equipment maintenance or vendor response time
- One contract to manage, One number to call to request repair
- Additional savings available with client approval to use alternative vendors
- No service fees, No contractor fees
