## General Contract Information

The State of Georgia has joined with the Western States Contracting Alliance (WSCA) for Maintenance, Repair and Operating (MRO) products. This Grainger [Website](#) is a landing page created specifically for the State of Georgia and allows electronic ordering.

Under the agreement, any state agency and local governmental entity with a Grainger account will automatically receive a discount from catalog price.

Products covered under other Statewide Contracts are exempt from this agreement and must be purchased from the existing statewide contract vendors. Some products may also be covered by Agency Contracts and would also be exempt for that agency.

Benefits include the following:

Deep discounts from 10% to 34%

Free Delivery

Inventory Solutions include: Inventory optimization (right products on hand), supplier consolidations (consolidate unplanned MRO purchases), product standardization (identify core products to leverage spend).

Inventory Scan includes: Cross referencing of items, implementation and barcode labels, customer scans their inventory to be replenished, downloads order automatically.

Keep Stock includes: Managed ordering system, product identification, ordering, put-away and scanning, downloads order automatically.

On - site Specialist: Grainger employee on customer's location, extra level of customer service, product identification, ordering, and put-away as needed.

In-Stock Product Breadth & Depth: \$1Billion in on-hand inventory, 1,400+ Industry leading manufacturers, 500k Sku's assigned in system, 14 Georgia locations for immediate product availability.

Products include: Emergency preparedness, homeland security, patient evacuation, material handling, tools, hardware, safety, electrical accessories, motors, testing equipment, cutting tools, pipes, valves and fittings, fasteners, carts and hoppers, etc.
