Sid Johnson  
Commissioner

The Georgia Department of Administrative Services, State Purchasing Division, has established a Statewide Contract for **Aggregate** with **Aggregates USA, Hanson Aggregates, Martin Marietta Aggregate Corporation and Vulcan Materials Company**. T

This is a **MANDATORY CONTRACT** for all State of Georgia governmental entities subject to the State Purchasing Act. The statewide contract is also available on a convenience basis to other Governmental Entities such as state authorities, local government, municipalities, cities, townships, counties and other political subdivisions of the State of Georgia.

The purpose of this contract is to provide construction-grade aggregate materials, primarily for use as a base material in road and highway construction. Aggregate can also be used in several types of drainage applications, as a base material under foundations as well as several other construction related applications.

**Key benefits of the contract include:**

- Several different sizes and classes of aggregate available
  - 14 distinct Course Aggregate line items
  - 4 distinct Stone Screening line items
  - 2 distinct Rip Rap line items
- Stabilizer and Graded Aggregate also available
- Over 90 supply points identified
- Incremental delivery charges based on distance; 25 mile range price breakout
- Delivery within 4 - 7 days ARO
