Contract Instructions

Natural Gas, Firm Service

This contract is mandatory for any agency facility(s) requiring "Firm Natural Gas Service" in service areas formally served by Atlanta Gas Light Company.

The State of Georgia has established a joint venture contract with Utility Analyses Inc. and W. Brent Phelts, P.E. for a Georgia Natural Gas Program Administrator to provide the management of natural gas service for the State of Georgia.

This firm will require the following information from each agency in order to initiate service:

Name of agency

Facility(s) location

Agency Contact Name, Phone Number and E-mail Address

Atlanta Gas Light account number, 10 digit number (not supplier account number)

Exact Name (as shown on invoice/bill)

Service Address (as shown on invoice/bill)

Billing Address (as shown on invoice/bill)

Optional information:

DDDC/Dedicated Design Day Capacity in decatherms (if available)

Annual Therms (if available)

A copy of the most recent gas bill per facility may be sent in place of above information.

Upon receipt, this data will be used to determine if this contract is the most appropriate and advantageous for the agency and insure that you will receive contract pricing.
