Change #1:Goodyear Tire Recall Notice for SWC90782

The Department of Administrative Services has been notified by the Goodyear Tire & Rubber Company of a tire recall they have issued. A condition relating to motor vehicle safety may exist in certain Goodyear brand Wrangler Silent Armor tires. Use of these tires in certain conditions could result in partial tread separation leading to vehicle damage or a motor vehicle crash.

If your vehicle is found to be fitted with [qualifying Wrangler Silent Armor tires](#), they will be replaced at no-charge with Goodyear manufactured tires of the same size.

Contract Ordering Instructions

Orders will be placed with the vendor closest to the final destination with the lowest price. To find the vendor closest to the final destination, refer to the Authorized Dealer/Distributors list on the Statewide Contract's Website or you may use the contract information sheet to punch out to the vendors Electronic Catalog Web address using the hyperlink provided. Once there, you will find information on the Vendor's Dealers/Distributors in your area.

Agencies may either reference the NIGP Code or the Product Code on the Purchase Order when placing orders.

The vendors on this Statewide Contract have the capability for centralized billing; that is, billed directly from Manufacturer. Contact the Contract Manager for more information.

Special Note*: Agencies operating Pursuit Vehicles are authorized to purchase from any vendor on this Statewide Contract to ensure all tires on pursuit vehicles are produced by the same manufacturer.

Centralized Billing Instructions – Bridgestone/Firestone:

If an Agency is requiring Central Billing by Bridgestone, they need to contact Linda Alberstadt – General Manager – North American Government Sales with the following information:

1. Agency Name
2. Agency Address
3. Agency City, State, Zip Code
4. Accounts Payable Contact Person
5. Accounts Payable Phone & Fax Number
6. Accounts Payable Email Address

Additional Contract Information

A \$1.00 Fee is imposed upon the retail sale of all new replacement tires, not on used or recapped tires. Agricultural equipment tires, except for pickup trucks, which have less than 12" rim size and tires for devices moved exclusively by human power are excluded. State and Local Governments are not excluded from this \$1.00 Fee.

Choosing the correct tire is very important for safety, performance, and tire tread life. If you are unsure which tire is appropriate for the State owned vehicle you operate, contact the contract Vendor or a Dealer/Distributor in their network for assistance selecting the right tire for your application. One provision of this contract is for the successful bidder to provide support for customer inquiries.

Using agencies are urged to practice good tire maintenance including tire matching, maintaining proper tire inflation, and tire rotation at the appropriate interval.

Michelin North America, Inc. has provided a Universal Resource Locator (URL) on the contract information sheet to punch out to their website for additional State of Georgia contract information. To use the URL and navigate once at the website, follow the procedures below:
