EZIQC CONTRACT GENERAL ORDERING INSTRUCTIONS

SPECIAL NOTES (Please Read Before Ordering)

Only personnel authorized by an individual public governmental entity within the State of Georgia to initiate and/or execute purchasing actions for construction and construction related services on behalf of that entity may (1) contact the supplier or (2) submit on-line request for service under this contract.

Public governmental entities include (but are not limited to); state, city, county, colleges & universities, municipalities, other political subdivisions and public school systems.

The following limitations apply to all orders contemplated under this Contract:

Supplier is not obligated to enter into an individual order with any Authorized User for supplies or services valued at less than \$5,000.00.

Supplier shall not enter into an individual order with any Authorized User for supplies and services valued at more than \$1,000,000.00 without prior approval from DOAS.

Supplier shall not enter into a series of orders with the same Authorized User within a thirty (30) day period for supplies and services that together total a value of more than \$2,000,000.00 without prior approval from DOAS.

The above maximum order limitations DO NOT SUPERCEDE any ordering limitations established by an individual public governmental entity for the purchase of construction or construction related services for that entity. Authorized Users must comply with all policies and procedures in effect for their specific organization when ordering construction and/or construction related services under this contract.

The Purchase Order issued by the Authorized User should reference SWC-90818, the Detailed Scope of Work and any other additional terms and conditions the Authorized User may deem necessary.

The Purchase Order should be issued by the Authorized User only after all required performance and payment bonds (if required) and insurance have been received from the Supplier.

Submittals and inspections follow the standard construction process. Vendor Certified payroll records will be submitted with the application for payment (as applicable).

Construction Management is performed by the Authorized User or a representative. Construction Management and inspection services may also be ordered through EZIQC for an additional fee.

DEFINITIONS

Authorized User –Personnel authorized by any formally designated organizational element or sub-element of a state or local public governmental entity within the State of Georgia to initiate and/or execute purchasing actions for construction and construction related services on behalf of that entity.

Adjustment Factors - The Supplier's competitively bid price adjustments to the unit prices as published in the CTC.

Construction Task Catalog (CTC) – A comprehensive listing of specific construction related tasks covering all divisions of construction, each with a specified unit of measure

and a unit price developed for the local area. CTC prices include local labor, equipment and material. See links at the end of this page.

Detailed Scope of Work - The document or set of documents that sets forth the work the Supplier will perform. The Detailed Scope of Work can be a simple set of drawings, a specification, a narrative, a marked-up as-built drawing or some other document. It does not have to be a full set of plans and specifications.

Joint Scope Meeting – An EZIQC Representative will schedule a meeting at the project site with the Authorized User and one of the competitively bid suppliers to include any key subcontractors to discuss the details of the project, the schedule, required permits, inspections and all other aspects of the work.

Price Proposal – The proposal prepared by the Supplier using the applicable tasks from the CTC, the appropriate Adjustment Factor (s) and the appropriate quantities. The Price Proposal represents a lump sum price for completing the Detailed Scope of Work.

Price Proposal Package – The Price Proposal, any drawings, sketches or other technical data requested from the Supplier to supplement the Detailed Scope of Work, the construction schedule and a list of proposed subcontractors.

Region – The State of Georgia has been divided into twelve (12) regions as set forth in the Regional Map.

Zone – The Regions are also grouped into four Zones.

PLACING AN ORDER- All Authorized Users Outside the University System of Georgia

Step 1: Go to WWW.EZIQC.com

Step 2: The Authorized User will enter his/her name, contact information and project description in the spaces provided.

Step 3: An EZIQC Representative will contact the Authorized User to (1) assist in identifying and selecting a Supplier and (2) schedule a Joint Scope Meeting within 24 hours.

IMPORTANT NOTE: In service areas where more than one Supplier is available to price/perform work, a single Supplier must be selected. However, selection of the Supplier to be used is at the sole discretion of the Authorized User. Customers should consider CTC and adjustment factor when selecting a supplier. **Requesting price proposals from multiple Suppliers for the same project, is STRICTLY PROHIBITED.**

Step 4: After the Joint Scope Meeting, the EZIQC Representative will help the Authorized User prepare a Detailed Scope of Work.

Step 5: Once the Detailed Scope of Work is complete and approved by the Authorized User, the EZIQC Representative will forward it to the selected supplier and establish a Price Proposal due date.

Step 6: The Supplier will prepare a Price Proposal Package detailing the specific tasks and associated price to perform the elements of the Detailed Scope of Work. The Supplier's Price Proposal Package will also include a construction schedule and a list of proposed subcontractors. The Supplier will use the Construction Task Catalog (CTC) for the appropriate region to prepare the Price Proposal. The Supplier will select the appropriate tasks from the CTC and multiply the fixed unit prices in the CTC by the required quantities for each task to determine the basic CTC price. The basic CTC price is then multiplied by the appropriate Adjustment Factor (see below) to determine the total price of the order.

ADJUSTMENT FACTORS

On the anniversary date of contract award of each year, the Supplier's Adjustment Factors may be escalated/de-escalated based on the contract formula for economic price adjustment (Engineering News Record's Cost of Construction Index (CCI) for Atlanta GA).

Step 7: The Supplier will submit the completed Price Proposal Package to the EZIQC Representative for review and validation to include verification that appropriate tasks have been selected from the CTC and the appropriate quantities have been used. Should any corrections or changes be deemed necessary as a result of the review/validation, the EZIQC representative will return the proposal to the Supplier to make any necessary changes.

Step 8: Once the Proposal has been satisfactorily validated/verified, the EZIQC representative will submit the Price Proposal Package to the Authorized User via e-mail. If the dollar amount of Price Proposal exceeds the EZIQC \$750,000 contractual limit, the EZIQC representative will copy the DOAS Issuing Officer. Thereafter, DOAS Issuing Officer will communicate directly with the Authorized User to approve the use of the EZIQC® Contract for procuring construction services in excess of the established contractual limits, respective to that work order.

Step 9: The Authorized User may negotiate the inclusion of any unique contract terms and conditions specific to the Work Order with the Supplier. Unique contract terms and condition agreed upon by the Supplier and the Authorized User will be included on, or referenced in, the Purchase Order. At the discretion of the Authorized User, the DOAS Issuing Officer is available to assist in the negotiation of any unique contract terms and conditions inclusions. Does your project include American Reinvestment and Recovery Act (ARRA) funding? If so click the following link for additional instructions to be completed prior to issuance of a Purchase Order: [ARRA Posting Requirements](#)

Step 10: If satisfied with the price, schedule, terms and conditions; the Authorized User will prepare a **Work Order Package** for submission to the selected Supplier. A Work Order Package consist of the following documents:

Work Order Signature Document; signed by Supplier and Authorized User
Final Detailed Scope of Work; signed by Supplier and Authorized User
Purchase Order (PO) or Notice To Proceed (NTP); to include (at a minimum)

- (a) PO / NTP Number
- (b) PO / NTP Date
- (c) Reference to Statewide Contract# SWC90818
- (d) Customer Point of Contact- Name, Phone Number, email Address (optional)
- (e) Ship To Address
- (f) Bill to Address
- (g) Supplier Name and Address
- (h) Project Description (include EZIQC Work Order Number)
- (i) PO / NTP Amount (Price)

*The Work Order Signature and Final Detailed Scope of Work documents will be provided by the EZIQC representative at the appropriate stage of the process

Step 11: The complete Work Order Package as described above should be submitted to the selected Supplier by mail or email (*email is the preferred submission method*):

PLACING AN ORDER - All Authorized Users Within the University System of Georgia

All Users within the University System of Georgia MUST BE reviewed/approved by the BOR prior to being granted access to request services under the Statewide Contract for Indefinite Quantity Construction (EZIQC) Services.

Step 1: Go to WWW.EZIQCR.com

If you do not currently have a USER ID and PASSWORD, Please click on the [Register](#) link to initiate the review and approval process. Please enter the requested information for all mandatory fields identified in RED (as a minimum) and click the SUBMIT Tab to process your registration. Approved Users will receive an email from the BOR indicating that the USER ID and PASSWORD created during registration submission has been authenticated and is ready for use.

If you are already an approved user and have a USER ID and PASSWORD, Please enter your log-in credentials in the space provided and click "Login" to begin your request for services under the Indefinite Quantity Construction (EZIQC) Services.

Step 2: Once logged in to EZIQC, the Authorized User will enter his/her name, contact information and project description in the spaces provided and submit their request.

Step 3: An EZIQC Representative will contact the Authorized User to (1) assist in identifying and selecting a Supplier and (2) schedule a Joint Scope Meeting within 24 hours.

IMPORTANT NOTE: In service areas where more than one Supplier is available to price/perform work, a single Supplier must be selected. However, selection of the Supplier to be used is at the sole discretion of the Authorized User. Customers should consider CTC and adjustment factor when selecting a supplier. **Requesting price proposals from multiple Suppliers for the same project, is STRICTLY PROHIBITED.**

Step 4: After the Joint Scope Meeting, the EZIQC Representative will help the Authorized User prepare a Detailed Scope of Work.

Step 5: Once the Detailed Scope of Work is complete and approved by the Authorized User, the EZIQC Representative will forward it to the selected Supplier and establish a Price Proposal due date.

Step 6: The Supplier will prepare a Price Proposal Package detailing the specific tasks and associated price to perform the elements of the Detailed Scope of Work. The Supplier's Price Proposal Package will also include a construction schedule and a list of proposed subcontractors. The Supplier will use the Construction Task Catalog (CTC) for the appropriate region to prepare the Price Proposal. The Supplier will select the appropriate tasks from the CTC and multiply the fixed unit prices in the CTC by the required quantities for each task to determine the basic CTC price. The basic CTC price is then multiplied by the appropriate Adjustment Factor (see below) to determine the total price of the order.

ADJUSTMENT FACTORS

On the anniversary date of contract award of each year, the Supplier's Adjustment Factors may be escalated/de-escalated based on the contract formula for economic price adjustment (Engineering News Record's Cost of Construction Index (CCI) for Atlanta GA).

Outside Normal Working Hours - Secure Areas - 7pm-7am Mon-Fri, all day Sat, Sun & Holidays

The Supplier's Price Proposal Package will also include a construction schedule and a list of proposed subcontractors.

Step 7: The Supplier will submit the completed Price Proposal Package to the EZIQC Representative for review and validation to include verification that appropriate tasks have been selected from the CTC and the appropriate quantities have been used. Should any corrections or changes be deemed necessary as a result of the review/validation, the EZIQC representative will return the proposal to the Supplier to make any necessary changes.

Step 8: Once the Proposal has been satisfactorily validated/verified, the EZIQC representative will submit the Price Proposal Package to the Authorized User via e-mail. If the dollar amount of Price Proposal exceeds the EZIQC \$750,000 contractual limit, the EZIQC representative will copy the DOAS Issuing Officer. Thereafter, DOAS Issuing Officer will communicate directly with the Authorized User to approve the use of the EZIQC®

Contract for procuring construction services in excess of the established contractual limits, respective to that work order.

Step 9: The Authorized User may negotiate the inclusion of any unique contract terms and conditions specific to the Work Order with the Supplier. Unique contract terms and condition agreed upon by the Supplier and the Authorized User will be included on, or referenced in, the Purchase Order. At the discretion of the Authorized User, the DOAS Issuing Officer is available to assist in the negotiation of any unique contract terms and conditions inclusions. Does your project include American Reinvestment and Recovery Act (ARRA) funding? If so click the following link for additional instructions to be completed prior to issuance of a Purchase Order: [ARRA Posting Requirements](#)

Step 10: If satisfied with the price, schedule, terms and conditions; the Authorized User will prepare a **Work Order Package** for submission to the selected Supplier. A Work Order

Package consist of the following documents:

Work Order Signature Document; signed by Supplier and Authorized User
Final Detailed Scope of Work; signed by Supplier and Authorized User
 Purchase Order (PO) or Notice To Proceed (NTP); to include (at a minimum)

- (a) PO / NTP Number
- (b) PO / NTP Date
- (c) Reference to Statewide Contract# SWC90818
- (d) Customer Point of Contact- Name, Phone Number, email Address (optional)
- (e) Ship To Address
- (f) Bill to Address
- (g) Supplier Name and Address
- (h) Project Description (include EZIQC Work Order Number)
- (i) PO / NTP Amount (Price)

*The Work Order Signature and Final Detailed Scope of Work documents will be provided by the EZIQC representative at the appropriate stage of the process.

Step 11: The complete Work Order Package as described above should be submitted to the selected Supplier by mail or email (***email is the preferred submission method***):

Contract Renewals/Extensions/Amendments

Amendment #01

Effective Date of this Amendment

October 20, 2009

Initial Date of Contract:

October 15, 2009

Expiration Date of Contract:

October 14, 2010

Part I- Changes

The changes below apply to all work performed through the State of Georgia Department of Administrative Services (DOAS) by both State of Georgia User Agencies or other public entities within the State of Georgia.

1. Reference State of Georgia General Conditions, Article GC-30 Performance Bond and Payment Bond

Delete: Delete the existing language entirely.

Replace with: "Within 10 (ten) days of an Owner approving a Work Order for construction services, the Contractor shall furnish both a performance bond and payment bond for all Work Orders with a dollar value equal to or greater than \$100,000. The Obligee of the bonds shall be the Owner that has requested the work. For State of Georgia User Agencies, said bonds shall be provided on the forms as set forth in State of Georgia Exhibit C and State of Georgia Exhibit D. For other Georgia public entities utilizing the contract, the bonds shall be on forms as directed by and/or acceptable to each Owner.

Both the performance bond and payment bond shall each be equal to 100% of the Work Order Price to secure performance of the contractor and payment of all claims for materials furnished and/or labor performed in the performance of the Work Order, respectively.

The surety must be licensed to do business in the State of Georgia, and the surety must in addition be acceptable to the Owner. [NOTE]: To avoid inconvenience, the Contractor should communicate to the Owner, in advance of the bonds being issued, the surety he expects to use so that the Owner can give an advance determination of the surety's acceptability.

For all Work Orders with a Work Order Price less than \$100,000 performed for State of Georgia User Agencies it will be at the Owner's sole discretion as to whether a performance and/or payment bond will be required. For other Georgia public entities utilizing the contract, the waiver of bonding requirements for jobs with a Work Order Price less than \$100,000 shall be at the discretion of the Owner and subject to additional limitations imposed by all applicable, laws, statutes, codes, and/or policies."

2. Reference: State of Georgia General Conditions, Article GC-27 Indemnifications, Insurance and Hazards, paragraph C. Insurance requirements, Item 1. Insurance Certificates, first sentence.

Delete: "The Contractor shall, prior to the commencement of Work, procure the insurance coverages identified below at the Contractor's own expense and shall furnish the Owner an insurance certificate listing the Owner as the certificate holder."

Replace with: "Within 10 (ten) days of an Owner approving a Work Order for construction services, the Contractor shall, prior to the commencement of Work, procure the insurance coverages identified below (when performing work for State of Georgia User Agencies) at the Contractor's own expense. When performing work for other Georgia public entities utilizing the contract, the Contractor may be subject to other insurance requirements, including different policy limits and issuance of a Purchase Order to the Contractor will be conditional upon the Contractor complying with such requirements. The Contractor shall furnish the Owner an insurance certificate listing the Owner as the certificate holder."

Part II- Additions

The changes below apply to all work performed through the State of Georgia Department of Administrative Services (DOAS) by both State of Georgia User Agencies or other public entities within the State of Georgia.

3. Reference: State of Georgia General Conditions, Article GC-27 Indemnifications, Insurance and Hazards, paragraph C. Insurance requirements, Item 3. Insurance Coverages

Add: Subparagraph h) as follows:

"h) When the nature of the Work dictates, at the sole discretion of the Owner, the Owner may require insurance coverages and limits that are in excess of those listed above (i.e. when "hot work" is part of the Detailed Scope of Work, when hazardous material abatement is part of the Detailed Scope of Work, or when Work is on or in the vicinity of railroad tracks, etc.). The Contractor's compliance with such increased insurance requirements will be a condition of the Owner with regard to issuing a Purchase Order and the Contractor shall be required to furnish said insurance at its own expense and shall furnish the Owner an insurance certificate evidencing such required coverages and limits."

Amendment #02

Effective Date of this Amendment:

March 02, 2010

Initial Date of Contract:

October 15, 2009

Expiration Date of Contract:

October 14, 2010

Contract Location: Agreement Modification 01, dated 9/30/2009,

Part II Additions - Article 1

Delete: Existing Article 1 in its entirety.

Replace with: "The above referenced contract shall be available to all State of Georgia governmental entities, including but not limited to state authorities, offices, agencies, departments, boards, bureaus, commissioners, institutions, colleges and universities, as well as local government, municipalities, cities, townships, counties and other political subdivisions of the State of Georgia; furthermore, all Work performed through the State of Georgia Department of Administrative Services (DOAS) for all State of Georgia governmental entities, including but not limited to state authorities, offices, agencies, departments, boards, bureaus, commissioners, institutions, colleges and universities, as well as local government, municipalities, cities, townships, counties and other political subdivisions of the State of Georgia, the following State of Georgia General Conditions, State of Georgia Supplementary General Conditions, and State of Georgia Exhibits shall apply."

Part II – Additions

Add: Article 1, found immediately below.

"Exhibit H - ARRA General Conditions (with exhibit #A-1) and Exhibit I - ARRA Supplementary General Conditions are henceforth added to the State of Georgia Exhibits.

For all Work performed through the State of Georgia Department of Administrative Services (DOAS) by both State of Georgia User Agencies or other public entities within the State of Georgia using stimulus funding under the American Recovery and Reinvestment Act (ARRA), the ARRA General Conditions (Exhibit H) and ARRA Supplementary General Conditions (Exhibit I) shall apply."
