Register in Team Georgia Marketplace

Registration in Team Georgia Marketplace is now available, and we encourage anyone who would like to do business with the State of Georgia to register. Registration will allow you to receive bid solicitations after January, 2009 when the use of Vendor Registration System is discontinued and we begin using Team Georgia Marketplace. You will continue to receive bid solicitations from our current system until January, if you are registered in Vendor Registration System.

Registration is **free**. Please be prepared to enter your Tax Identification Number, your company address, email address, and phone numbers for yourself and anyone else that you want listed under your company profile. If you are an individual doing business, you'll be using your Social Security Number in place of the Tax Identification Number. You'll be responsible for maintaining your own contact information in Team Georgia Marketplace and have the ability to update information at any time.

Find registration on the State of Georgia Purchasing Webpage under "Team Georgia Marketplace Supplier Services." Please read all the information prior to clicking on the registration link. You may choose to register there at any time. Thank you!
