

Team Georgia Marketplace Supplier Seminars

In November, the State of Georgia will begin registering suppliers in Team Georgia Marketplace which will replace the State of Georgia Vendor Registration System in January 2009. You will be able to train and register for Team Georgia Marketplace online at any time after deployment. As an option you may sign up for a Supplier Seminar.

Team Georgia Marketplace is a new, automated online procurement system which will change the way the State of Georgia purchases goods and services. At the Supplier Seminars you will learn how the system impacts our suppliers. Participants will be provided with system demonstrations and training including:

- Register as a Bidder
- Register as a Supplier
- Maintain your Contact Information
- Look up Purchasing Activity (if you are selling to the State of Georgia) *
- View Bid Events and Bid Online
 - Team Georgia Marketplace*
 - eQuote
- Learn about our Online Web Market

* These options will become available in January, 2009.
