

What Can a Penny

Save?

Did you know that in FY08 the state of Georgia purchased over 11 million gallons of fuel for the state's fleet. We are on track in FY09 to purchase over 12,400,000 gallons of fuel. THAT IS A LOT OF FUEL!!

In this current economy, we as consumers look for ways to conserve and cut back our expenses and stretch our hard earned dollars. Here at the state of Georgia, we should do the same.

Do you know that if we were to save just 1 penny per gallon of gas; what that would save Georgia Taxpayers?

How about over \$124,000 per year!

If you are a driver of a state vehicle, a few minutes of planning is all that it takes.

If you go to the website <http://www.gaspricewatch.com/new>

and enter in the

location of where you

are, it will show you

the retail outlets that

sale gas and their

current price per

gallon.

This allows you to shop

around for the most

economical price to pay for Gas, thus providing potential

savings to the state of Georgia

of upwards of \$124,000 per

year.
