Supplier Seminars A Success

Supplier Seminars have greatly contributed to the successful registration of over 14,000 suppliers in Team Georgia Marketplace™. At the seminars, suppliers receive live system demonstrations on registration, managing their company's profile, responding to sourcing events and much more. As a convenience to our customers, each seminar features on-site registration. Attendees are able to engage in face-to-face dialogs and get direct answers to their questions.

Many suppliers have expressed satisfaction with the supplier seminars. Carlton Roberts, vice president of business development ERP practice at enGenius Consulting Group, Inc, said "As a native Georgian, I've never seen taxpayers' money better spent than what DOAS is doing with Team Georgia Marketplace™." John Tebbe, sales executive for Georgia Government and Education at Digital Intelligence Systems, also commented, "It was a great learning experience for me. Well done! This was a key step in my preparation to serve Georgia."
